

## HEIGHT ADJUSTABLE COMPARISON CHART

We don't always have the time to research things as much as we should, especially when several manufacturers are offering products that all look similar yet have huge price differences. That is why we have produced a simple comparison chart that details the six ranges along with full specification of the main selling points that you need to know.

	<b>Volt Crank</b>	<b>Volt</b>	<b>Volt J Shape</b>	<b>Aerial</b>	<b>Evolution</b>	<b>Gravity</b>
Lifting capacity	N/A	80kg minus top	80kg minus top	100kg minus top	100kg minus top	140kg minus top
Warranty	5 years	5 years	5 years	5 years	5 years	5 years

**24.5kg** 1800 x 800

Our only crank height adjustable desk. If you don't have access to power or don't want electric for environmental reasons then the Volt Crank is the desk for you.

One of the most competitively-priced height adjustable desks on the market supplied with 5 year guarantee and digital controller as standard. Nothing comes close for quality or price.  
2019 RRP

The Volt is now available as a radial desk with all the standard features you would expect from the range such as 5 year guarantee, digital controller and 30mm/s movement.

The best-priced LINAK dual motor height adjustable desk. Uses the same lifting column as the Evolution just supplied without the modesty panel, cable tray or screen.

Great quality LINAK motors along with every accessory you need for your height adjustable desk.

\*Additional hardware needed. Not supplied as standard.
